WHAT IS INNOVATION LEADER?

[Innovation Leader](#) is a fast-growing publishing and events company that helps the world's largest companies build their competitive advantage.

Since 2013, Innovation Leader has built a network of 25,000+ corporate innovation, strategy, and R&D professionals from both public and private companies, helping these professionals to strengthen their innovation programs; connect with useful resources, solutions, and vendors; and engage with peers inside innovative labs and workplaces around the globe. For more information about Innovation Leader membership and events, visit www.innovationleader.com or follow us on [Twitter](#), [LinkedIn](#), [Instagram](#) and [Facebook](#).

WHY BECOME A MEMBER?

1 Access to our quarterly research reports, including an archive of more than 20 on topics like metrics, governance, hiring, tech scouting, innovation and risk, and more.

Instant access to downloadable tools for corporate innovation programs, some created by your peers, others designed by Innovation Leader with former corporate innovation executives.

3 Participation in our IL Live Conference calls and Master Class webinars, which allow you to pose questions to other corporate innovation, strategy, and R&D leaders and learn from the best.

Discounts to our in-person events, including Field Studies, one-day Deep Dives, and our annual Impact conference. Discounts average \$250-\$500 off the regular ticket price.

5 More than 600 case studies and interviews, organized from other large organizations like Disney, Google, Hasbro, JetBlue, Starbucks, Marriott, Coca-Cola, Fidelity Investments, USAA, and more.

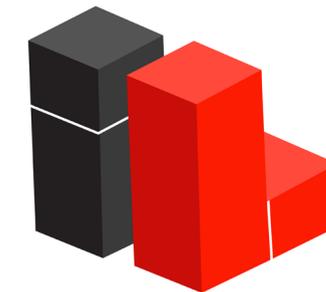

Complimentary invitations to our executive roundtable series, for director-level and above members, held in cities around the world.

7 Access to our complete video and podcast library, which interviews innovators from companies like Shell, Kellogg's, the Orlando Magic, Bose, Pfizer, Stanley Black and Decker, Walmart, and more.

Copies of our print magazine, delivered right to your office, and access to our other PDF offerings, such as our Pointers series of curated thought leadership advice.

9 Free postings on the Innovation Leader job board when you're adding to your team and submissions to our annual Impact Awards program.

Access to the definitive resource for starting or upgrading an innovation team— or building more support for what you already do.

STAGES WHERE INNOVATION LEADER CAN HELP

Every organization that joins Innovation Leader is at a different stage of what we call “innovation maturity.” Some are just starting to shape their strategy and build teams; others are looking to upgrade or retool a program that is already in place; and still others are looking to continually improve and learn from the best. Where does your organization fall on the spectrum?

JUST STARTING

MORE EXPERIENCED

GETTING GOING

Goal:
To create a clear vision and secure executive support, along with the necessary resources.

PILOTS & PROTOTYPES

Goal:
To show momentum, attract allies, and start testing new concepts.

STRUCTURE & FOCUS

Goal:
To build an innovation coalition, put the right metrics and governance in place, and hone their focus.

SCALE & SURVIVE

Goal:
To communicate successes both internally and externally, and deliver bigger results —while avoiding cutbacks.

INTEGRATED INNOVATION

Goal:
To continue growth, test new approaches and methodologies, and solidify a reputation as a market leader.

Past Innovation Leader Events

Our Roundtables and Deep Dive events focus on a single theme, delivering incredibly high value to participants. Usually, we host them in corporate labs or startup spaces. We've run gatherings at the CME Group, Johnson & Johnson, LinkedIn, MassChallenge, MasterCard, MIT, Target, Royal Bank of Scotland, Verizon, Tiffany & Co., Whirlpool, WorkBench, and many others.

Our Field Studies provide an engaging and collaborative forum for innovation executives, enabling them to visit other innovation spaces, share war stories, and benefit from the insight of their peers. We've taken Field Study participants to dozens of innovation spaces at the world's best-known brands, including Adobe, Barclays, BMW, the Cleveland Clinic, CVS, Fidelity, Ford, Google, Home Depot, IBM, Johnson & Johnson, Microsoft, NASDAQ, Porsche, Starbucks, Twitter, Visa and many others.
